Dear Friend of Greer Bands,

We are writing to you to see if your business would like to partner with Greer High School Band Boosters for the 2025-2026 school year. We are located off East Gap Creek Road and serve the Greer community. Our current enrollment is approximately 100 students in the total program from varying socioeconomic, ethnic, and racial groups. We are proud of our diversity and the history of excellence our program has maintained.

The Greer Band Booster Club and our volunteers contribute both time and financial resources to the students in order to continue our endeavors for success. Some of the activities we aid and/or fund for include: transportation, outside clinicians, technology, equipment, instruments, uniforms, meals for students, instrument repairs, and logistics.

We appreciate your consideration of our program and would love the opportunity to partner with you. Donations may be made in the form of money or an in-kind donation, and your donation may even be tax deductible.

If you have any questions, please contact us at greerhighbands@gmail.com or reach out to our director, David Keller, at dkeller@greenvilleschools.us.

Sincerely,

Greer High School Band Boosters
